

GEO-PARK AND VILLANUEVA MAYOR'S OFFICE CARRY OUT COVID-19 PREVENTION CAMPAIGN IN CARIBAYONA

Villanueva, Casanare - August 27, 2020 – GeoPark continues to be committed to the well-being of its neighbors in the Llanos 34 block during the health emergency, and together with the Villanueva Mayor's Office has carried out a prevention campaign in the Caribayona area of the municipality, in the south of Casanare department.

For more than six hours, a team of health professionals, civil servants and GeoPark professionals trained more than 700 Caribayona inhabitants in the most effective measures for preventing the spread of COVID-19. More than 700 units of alcohol gel and 2,000 face masks were distributed to promote self-care among the company's neighbors.

Since the beginning of the pandemic, GeoPark has donated more than 2,000 aid parcels, benefitting nearly 600 Casanare families. The Company will continue to cooperate with local authorities to overcome this health emergency, demonstrating its commitment to the care and integrity of all its workers and neighbors.

ABOUT GEO-PARK

GeoPark is a leading independent Latin American oil and gas explorer, operator and consolidator with operations and growth platforms in Colombia, Argentina, Brazil, Chile, Ecuador and Peru. As part of its mission to "Create Value and Give Back," the company develops sustainable social investment programs in conjunction with the State and local authorities and communities, which aim to promote positive changes in the areas in which it has activities.
