For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- Terms defined in the Scheme Document dated 28 November 2019 (the "**Scheme Document**") shall have the respective same meanings when used in this form of proxy unless the context otherwise requires.
