Total employees by country (only permanent)

(401-1) Rotation and movements*

	Total employees (permanent)	New hires*	Exits**	Voluntary rotation rate***	Growth index****	Movement index*****
2020	437	124	132	0.9%	29%	2.1%
2019	439	49	73	2.2%	33%	4%

As part of this process, in November 2020 we created an Equality, Inclusion and Diversity Committee, which has 54% women members and 46% men. This committee has 11 members from GeoPark senior management, who are supported by a technical team of 18 employees from the countries we operate in.

TRAINING AND EDUCATION

(404-1) IPIECA: SOC-7 (404-2) IPIECA: SOC-6 Training and education are fundamental parts of GeoPark's objective of guaranteeing staff development and growth as a key part of achieving our strategic goals. In 2020, we held 202 training events and trained 95% of our employees, accounting for 9,265 hours of training with an investment of more than \$73,335.

Parental leave

(401-3) GeoPark encourages the use of parental leave, and 20 of our employees used it in 2020 (45% men and 55% women). All employees entitled to this leave resumed their position and duties on returning to the Company. Our commitment is that their reintegration continues to be gradual, considering each case on its own circumstances and being as flexible as necessary with schedules and absences. This support is collaborative and involves leaders and work teams.
